

Stand Up Sabbath

To honor the nine lives lost at Mother Emanuel Church in Charleston, gunned down during a Bible study one year ago.

To acknowledge that 88 of our sisters and brothers die on average each day from gun violence.

To show that people of faith care about common sense gun laws that save lives.

Faith communities across North Carolina are encouraged to participate in the **Stand Up Sabbath**, June 17-19, 2016

Through prayer, song, liturgy, education or however your group would like to participate
