FOR HUMANE IMMIGRATION REFORM

"I was an immigrant and you welcomed me."

- Jesus

Why Reform Now?

Current immigration laws don't work. We need a system that reflects our values as a nation of immigrants and moves us forward together. The status quo is separating families, wasting money, and harming workers. If we don't seize this opportunity now, it might be years of dysfunction in D.C. before we get this chance again. We can't wait any longer.

House of Representatives

In June, the U.S. Senate passed a comprehensive immigration reform bill with overwhelming bipartisan support. The House of Representatives has yet to vote on either that bill or other immigration legislation.

Right now in the House of Representatives, a majority supports immigration reform with a fair and rigorous roadmap to citizenship, but the House leadership is preventing a vote on this.

What Can I Do?

The most important thing that you can do right now is contact your Representative and ask him or her to support a vote on immigration reform with a roadmap to citizenship.

Visit www.house.gov to contact your Representative.

FOR HUMANE IMMIGRATION REFORM

“Love the immigrant as you love yourself.”

- God

Immigrants & Churches

Immigration isn't about "other people," it's about all of us. Many immigrants are fellow Christians, filling churches every Sunday morning. Many churches are getting to know their new neighbors through ministries like teaching ESL classes. But in our society, many immigrants hear the message that they are not welcome. Some immigrant congregations have even faced discrimination like police checkpoints outside their doors.

Quick Facts

About 7.3% of North Carolinians are foreign-born and nearly 11% are Latino or Asian.

Fewer than half of foreign-born North Carolinians are unauthorized / undocumented, and 85% of children with immigrant parents are U.S. citizens.

NC would lose \$14.5 billion in economic activity and about 101,000 jobs if all unauthorized immigrants were removed.

How Can I Learn More?

The best way to learn is by doing. Find opportunities to connect with immigrants in your church and community.
