

# CLOSE THE COVERAGE GAP

In Robeson County, **1 in 4 people** are without health insurance. Our state has the opportunity to provide coverage to those in the gap but continues to reject **\$4.9 million** a day to expand Medicaid.

The NC DHHS will hold a public hearing on their proposed plan for Medicaid Reform on Monday, April 18th from 3:30-5:30 pm in Moore Hall Auditorium at UNC Pembroke. This hearing will be an opportunity to ask that expansion be included in the plan for reform

Join us ahead of the hearing to learn more about the current state of Medicaid Expansion.
